Pursuant to the Court’s Status Report Order (Dkt. 40), plaintiffs LANdesk Software, Inc. and Crimson Corporation (“plaintiffs”) and defendant Wavlink Technology LTD hereby jointly notify the Court that since the latest Joint Status Report filed with the Court August 19, 2020, the parties are continuing to negotiate, discussing resolution terms, and exchanging drafts of potential settlement agreements. Unlike the last status report, the parties have since moved closer to resolution but are still attempting to reach final terms. Consequently, the parties request that they be permitted to report back to the Court with a status update within the next 60 days.

Dated November 24, 2020.
